

COP21 Responding to Health and Data Challenges. Case for Climate Change and Atmospheric Pollution

Date: 4/12/2015

INSERM

*101, rue de Tolbiac; 75013, Paris
10th floor, room 132*

AGENDA

Time	Opening
10:00	Welcome Prof. Robert Barouki INSERM, France
Time 10:10	Session 1: “Translating Health Data to Evidence for Policy Makers” Moderator: Declan Kिरrane, ISC Introduction of speakers
10:15	<i>“Bridging scientific fields and setting up transversal studies”</i> Dr Georges Dagher Vice Chair of BBMRI-ERIC & INSERM, France
10:40	<i>“Climate change impact on humans as a part of affected ecosystem”</i> Prof. Robert Barouki INSERM, France
10:55	<i>“Atmospheric pollutants and allergic respiratory diseases “</i> Prof. Michel Aubier INSERM, Bichat Hospital, Paris, France
11:10	<i>“Environmental factors in liver diseases : biobanking as a hub for integrating massive data from heterogeneous sources”</i> Dr Bruno Clément INSERM, Rennes University, France
11:25	<i>“Urban Health and Wellbeing : systems data to policy”</i> Dr Charles Ebikeme International Council for Science (ICSU), France

11:40	<p><i>“Assessment and analysis of health data from environmental and infectious diseases and patient studies”</i> Prof. Kurt Zatloukal BBMRI.at (Austrian node of the Biobanking and BioMolecular resources Research Infrastructure – European Research Infrastructure Consortium) & Medical University of Graz, Austria</p>
11:55	<p>Conclusions Session 1 Declan Kirrane ISC, Belgium</p>
12:00	<p>Lunch Break</p>
14:00	<p>Session2: “Climate Change Impact on Microbiome” Moderator: Declan Kirrane, ISC Introduction of speakers</p>
14:05	<p>“Impact of Climate on infectious diseases” Dr Valerie Choumet Institut Pasteur, France</p>
14:20	<p><i>“Atmospheric pollutants and lung cancer”</i> Prof. Paul Hofman INSERM & Nice University, France</p>
14:35	<p>“Improving landscape and human health in sub-Saharan Africa through agroforestry” Dr Henry Neufeldt World Agroforestry Centre (ICRAF), Kenya</p>
14:50	<p>Coffee break</p>
15:10	<p>Conclusions Session 2 Mr Declan Kirrane ISC</p>
15:20	<p>Q’s & A’s and Discussion Mr Declan Kirrane ISC</p>
15:50	<p>Closure Dr Georges Dagher. Vice Chair of BBMRI-ERIC & INSERM, France</p>
